Dearest Nina:

Well how are you Nina dear?  
I can just about imagine  
how you feel these days and  
therefore I want to write  
just a few lines and  
maybe it will cheer you  
up a little, and perhaps  
not. as I know it must  
seem hard to forget the  
sad misfortune that you  
have just experienced.  
Victoria wrote me last

week that Mildred passed away  
and I indeed was very much shocked  
and feel very deeply for you all.  
I know it means a great deal to  
part with a dear one, but then  
it seems as tho we must all  
share our sorrows with each other  
especially in these times and  
make the best of it. therefore I  
want to send you all my  
deepest and heartfelt sympathy  
and may the good Lord comfort  
and console you all in this  
your recent bereavement.

Well miss dear I want try to make  
this letter lengthy this time but  
some day I will write you a nice  
long letter and tell you every-  
thing I know. Give my love to  
your folks and may these few.

Wishes find you all very well  
with the very best of wishes  
for the coming New Year.

Lots of Love to you dear.

Devotedly your  
friend Alma.  
who will never  
forget you.
