

Carter's Christmas Covid-19 Song

I don't want a lot for Christmas
There is just one thing I need
I need you to keep your distance
At least 6 feet away from me
I want to hear your lovely tone
But only over zoom or phone
Together we'll pull through
I will social distance from you

I don't want a lot for Christmas
There's just a few more things I need
A mask that doesn't fog my glasses
Fashionable face protection
I won't need to hang my stocking
I've boarded up my fireplace
Santa your a super-speedster
Get away from my house
I just want to bend the curve
For the people that I love
Together we'll pull through
I will social distance from you
You baby

I don't want a lot for Christmas
I just need a few more shows
I just want to keep on streaming
While I bake my Christmas cookies
I have made a list and sent it
To netflix, prime, and hbo
Give me virtual concerts please
I'll sing along to every note
Cause I won't wear no pants tonight
Bathed in tv's glowing light
What else is there to do
I will social distance from you
You baby
