

The Band

President	W. E. SLAGG
Secretary-Treasurer	WALTON MANZ
Librarian	FORREST MORTIBOY
Property Man	CHESTER LONG
Director	ALFRED MAYER

IN ITS SECOND YEAR the band has improved wonderfully. Mr. Alfred Mayer deserves a great deal of credit for his untiring efforts to produce one of the best school bands of the state. President Schofield also has done all within his power to foster the band. The students of the school, too, have supported the band in its activities.

The band has done much to keep the school alive. It has played for "pep" meetings, football and basketball games, the high school basketball tournament, the debate, and has given several concerts in the assembly and on the campus.
