# GRAND NATIONAL CHAMPIONSHIPS

presented by  YAMAHA

# UNIVERSITY OF WISCONSIN EAU CLAIRE BLUGOLD MARCHING BAND

EAU CLAIRE, WI

## ABOUT PRIDE MARCHING BAND

With an enrollment of 400+ members, the Blugold Marching Band is one of the nation's premiere marching bands representing the University of Wisconsin - Eau Claire. Each fall, the BMB presents a ten-minute field show of popular music and creates an indoor stage show that audiences of all ages can enjoy. Every other winter, the band performs a multi-week International Tour via cruise ship. The band is known for its musical and visual power, high energy, and fan-friendly performances.

The BMB is a representation of approximately 5% of the UWEC student body. While many are pursuing music majors & minors, 70% of the band's members are primarily studying another subject on campus. BMB members consider the band to be one of the most rewarding experiences they have at UWEC. For incoming freshmen, there is no better way to develop a network of friends and find your home in the university community.

Applications to join the Blugold Marching Band open on March 4, annually. Visit [uwec.edu](http://uwec.edu) for more information on applying to be a student at the UW-Eau Claire, and [blugoldmarchingband.com](http://blugoldmarchingband.com) to apply for the BMB once accepted.
