Dr. Todd Fiegel

Wisconsin native Todd Fiegel is Director of University Bands and Assistant Professor of Music at UWEC. In that capacity he conducts the wind ensemble and marching band, teaches beginning and advanced conducting, and administers the UWEC band program. Since his arrival in 1995, the wind ensemble has become one of the premiere windbands in the state and the Blugold marching band has brought great recognition and pride to the campus and community. Dr. Fiegel was previously on the Faculties of the University of Montana and Idaho State University and served as Artist-in-Residence Conductor at the University of Missouri-Kansas City. He holds a doctorate in conducting from the University of Colorado, where he studied with Allan McMurray; his other degrees are from the University of Wisconsin-Madison, where he worked with H. Robert Reynolds. Fiegel is very active as a clinician and guest conductor in both the United States and Canada, in which country he has conducted from westernmost Vancouver Island to the eastern coast of Newfoundland. He has also conducted in Japan. A serious devotee of film music, Fiegel lectures frequently on the subject, has authored journal articles, and has conducted his own silent-film score *Celluloid Tubas* in well over a hundred performances coast to coast. Interestingly, it was this composition that first brought him to the UWEC campus when he conducted the work with Basically Brass, the UWEC euphonium and tuba ensemble, at the 1992 Viennese Ball.

The Bands at UWEC

The band area of the University of Wisconsin-Eau Claire comprises three concert bands and the Blugold Marching Band. The wind ensemble is designed to offer an opportunity to accomplished musicians to perform challenging music of various instrumentation and styles. Utilizing the concept of one-person-per-part performance, original wind-band music from over three centuries, calling for anywhere from seven to forty-seven players, is performed. The symphony band is also designed primarily for the music major and carries on the tradition of excellence established by Dr. Donald S. George in his long tenure as UWEC Director of University Bands, by providing the opportunity to perform the highest quality large-band repertoire. The university band provides an experience for the predominantly non-music major to continue his/her enjoyment with instrumental music, and as such, performs high-quality literature that does not demand the rigorous preparation expected of the students in the other concert groups. The Blugold Marching Band, open to all students regardless of major, regularly performs to high acclaim at home football games. Anyone desiring more information about the UWEC Bands should call the band office at (715) 836-4417.
