DON MENZA

It is our privilege to present saxophonist/bandleader/composer Don Menza as our guest soloist this evening. A featured performer with the Buddy Rich, Woody Herman, Stan Kenton, Louie Bellson, Bill Berry, and Tonight Show bands, Mr. Menza's own Los Angeles-based big band is currently regarded as one of the finest in the country. His recent big band album, "Burnin'," received a Grammy nomination, and he has recorded a number of albums with his own small groups, most recently on the Pao Alto label. He is equally renowned as an arranger; his compositions have been recorded by Buddy Rich, Woody Herman, Louie Bellson and others, and they can be heard almost nightly on the "Tonight Show."

We are grateful to the C. G. Conn Corporation for helping to make Mr. Menza's appearance this evening possible.
