Gantner Concert Hall, Haas Fine Arts Center

Hosted by the UW-Eau Claire Collegiate Chapter of the National Band Association

Welcome,

On behalf of the students and faculty of the Department of Music and Theatre Arts, I am pleased to welcome you to the 2003 Indianhead Honors Band Concert. The ensemble you will hear this evening is composed of many of our region's most talented high school musicians. Congratulations to this evening's performers and the many high school music programs they represent.

Also on this evening's program are performances by the UW-Eau Claire Symphony Band and the UW-Eau Claire Wind Symphony. These ensembles offer students opportunities to perform the finest and frequently most virtuosic literature from the wind ensemble tradition. We are proud of our ensembles at UW-Eau Claire and believe that they offer outstanding opportunities for musical training and enrichment. Our students benefit from a large and well established program that includes choral and instrumental groups offering a variety of music from the traditional choral, orchestral and wind repertoire to jazz and musical theatre.

The Department of Music and Theatre Arts has more than four hundred majors working toward degrees in music education, performance, composition, theory, creative and technical theatre, and dance. The Department has received national recognition for the quality of its programs, including citations from U.S. News and World Report's annual College Guide, DownBeat magazine, and the American Choral Director's Association. We invite you to visit our campus, explore our programs, and attend a concert, recital or mainstage theatrical production. You are always welcome on our campus, often considered to be Wisconsin's most beautiful.

David A. Baker, Chairman
