Airport

Chaos
All around people are lost
Questions go unanswered
Stretched and twisted around
Shuffling Shuffling Shuffling
Fear
Luggage skewed across the floor
Finally home but unable to return
Inching closer to the exit
Shuffling Shuffling Shuffling
Anxiety
A presidential decision found on twitter
"24 hours to return home"
Last flight outbound
Shuffling Shuffling Shuffling
Afraid
No protocols in place
No six feet to maintain
5 hours at the airport
